

Legal Descriptions of Plans & Summary of Standards Set by Iowa Code Used to Develop the Plans

Precinct Requirements

Sioux County is a Plan Three County. In Plan Three Counties the board of supervisors is elected by supervisor district and the supervisors must live in the supervisor districts. The supervisors must establish a temporary redistricting commission which will draw precinct boundaries. The Legislative Service Agency will draw supervisor district boundaries.

All precincts in all counties in Iowa must meet the following standards:

- Precinct population cannot exceed 3,500
- Precinct must lie within one legislative district
- Composed of contiguous territory
- Follow census block boundaries
- Townships as precincts
 - Each township that does not include any part of a city with a population over 2,000
 - The unincorporated portion of any township, containing a city with a population over 2,000
 - If townships are divided into more than one precinct, the sections must be reasonably equal in population.
- Exclude city annexed territory
