

Sioux County Work in ROW Permit

I _____ request to enter Sioux County's right-of-way (ROW) to complete the proposed work described below.

Description & Location

Agreements / Affected Parties

1. The applicant will take all necessary precautions during the proposed work to protect and safeguard the lives and property of the traveling public.
2. The applicant is responsible for proper placing of any signs needed to warn traffic and protect workmen in accordance with Part VI of the current Manual on Uniform Traffic Control Devices. The Applicant is also responsible for covering or removing of signs when no longer needed.
3. The applicant is responsible for contacting Iowa One Call to locate utilities before beginning work or construction.
4. The applicant may be held responsible for any damage to Sioux County's roads, signs, drainage ditches or drainage structures that may result from the proposed work. The applicant will be required to reimburse Sioux County for any cost Sioux County incurs to repair damages done to said structures.
5. The applicant will re-seed any area disturbed by the proposed work.
6. All driveways, shoulders, waterways, and plantings will be restored to their original condition.
7. The applicant agrees to contact the Sioux County Engineer's Office before any proposed work begins and when the work in the ROW is finished.
8. All proposed work covered by this permit is at the applicant's expense.
9. Sioux County will not be held liable for any losses, damages, claims or demands, from any expense arising out of, or in connection with, the applicant's use or occupancy of Sioux County's right-of-way.
