

Sioux County Tile Crossing Permit

I, _____ (print neatly), on this date _____, hereby request a tile crossing to be built on Sioux County's right-of-way (ROW).

Requester's Address _____ City _____ State _____ Zip _____

Requester's Signature _____ Requester's Cell Phone _____

Agreements / Affected Parties

Sioux County agrees to pay all tile costs to cross the roadway right-of-way (IA Code 468.622) provided:

1. The permit is signed by adjacent upstream and downstream landowners.
2. The tile crosses the ROW to a suitable outlet or connects to a functioning tile.
3. Sioux County will not pay to connect the tiles, only for the crossing from ROW line to ROW line.
4. Sioux County reserves the right to approve or reject the method of crossing, tile materials and tile size.
5. Sioux County Soil & Water Conservation has been notified of crossing.
6. Tile Crossing Permit must be submitted at least 48 hours before crossing is to be installed.
7. Payment will not be made by Sioux County for tile crossing placed without proper notification.
8. The contractor is responsible for backfilling and tamping the tile crossing to avoid excessive settling or boring.
9. If Sioux County needs to repair crossings due to poor workmanship the contractor will be billed the cost of repairs.
10. Tiling Contractor is responsible for contacting Iowa One Call and the utility companies.
